PALM PRODUCTS

Marc Newson Tritan Drinkware Collection

The Marc Newson Tritan Drinkware Collection is the result of a collaboration between designer Marc Newson, described as the most influential designer of his generation and the engineering and production skills of Robert Wilson and his team at Palm Products.

Their objective was to create the world's finest range of unbreakable drinkware which boasts the following features:

- > Guaranteed unbreakable and dishwasher safe for 10 years in private use and one year in commercial use.
- > Superior dishwasher stability - the drinkware will not crack, break, scratch or go grey and will resist staining.
- > Non-slip base aids stability and acts as a coaster, protecting surfaces.
- > Stable, shorter shapes with well-weighted, wide bases.
- > Tumblers stack securely, saving space and preventing damage.
